

321E.12 Registration must be consistent.

1. A vehicle traveling under permit shall be registered for the gross weight of the vehicle and load. A trip permit issued according to section 326.23 shall not be used in lieu of the registration provided for in this section.

2. A private carrier who is not for hire may transport special mobile equipment on a vehicle registered for the gross weight of the transport vehicle and cargo, minus the weight of the special mobile equipment, when the special mobile equipment is owned, leased, or rented and under exclusive control of the private carrier.

3. Vehicles, while being used for the transportation of buildings other than mobile homes and factory-built structures, may be registered for the combined gross weight of the vehicle and load on a single-trip basis. The fee is five cents per ton exceeding the weight registered under section 321.122 per mile of travel. Fees shall not be prorated for fractions of miles. This provision does not exempt these vehicles from any other provision of this chapter.
